TuanChe Limited, through its subsidiaries, operates as an omni-channel automotive marketplace in China. It organizes auto shows and group-purchase events that attract various consumers; and provides integrated marketing solutions to industry customers, which include automakers, franchised dealerships, secondary dealers, and automotive service providers, as well as enable interactions between participants on both sides of a potential transaction. It also provides virtual dealership services by connecting automakers and franchised dealerships with secondary dealers by providing a suite of services traditionally undertaken by franchised dealerships without setting up permanent physical presence. In addition, the company offers business and technical support, and consulting services. As of December 31, 2020, the company organized 499 auto shows in 172 cities across China. TuanChe Limited has a strategic partnership with Beijing Easyhome Furnishing Chain Group Co., Ltd. to jointly establish a one-stop retail experience that combines home decoration products and automotive services. The company was founded in 2010 and is headquartered in Beijing, China.
