This stacked area chart displays three financial metrics over a 20-year period from 2002 to 2021. The y-axis represents values in millions of dollars, ranging from -5 M to 30 M. The x-axis shows time in quarters. The chart is composed of three layers: revenue (dark blue), net income (light blue), and operating cash flow (pink). Revenue shows a steady upward trend, starting around 8 M in 2002 and reaching approximately 25 M by 2021. Net income also shows growth, starting near 0 M and reaching about 12 M. Operating cash flow is more volatile, with significant peaks around 2003, 2008, and 2021, and a notable dip around 2015.

Year	Revenue (M)	Net Income (M)	Operating Cash Flow (M)
2002	8.0	0.0	0.0
