Federal Agricultural Mortgage Corporation provides a secondary market for various loans made to borrowers in the United States. It operates through four segments: Farm & Ranch, USDA (United States Department of Agriculture) Guarantees, Rural Utilities, and Institutional Credit. The Farm & Ranch segment purchases and retains eligible mortgage loans that are secured by first liens on agricultural real estate; securitizes eligible mortgage loans, and guarantees the timely payment of principal and interest on securities representing interests in or obligations secured by pools of mortgage loans; and issues long-term standby purchase commitments (LTSPC) on designated eligible mortgage loans. The USDA Guarantees segment purchases portions of certain agricultural and rural development loans guaranteed by the USDA. The Rural Utilities segment purchases and guarantees securities that are backed by loans for electric or telecommunications facilities by lenders organized as cooperatives to borrowers; and purchases eligible rural utilities loans and guarantees of securities backed by those loans, as well as LTSPCs for pools of eligible rural utilities loans. The Institutional Credit segment guarantees and purchases general obligations of lenders and other financial institutions that are secured by pools of loans eligible under the Farmer Mac's Farm & Ranch, USDA Guarantees, or Rural Utilities lines of business. Federal Agricultural Mortgage Corporation was founded in 1987 and is headquartered in Washington, District of Columbia.

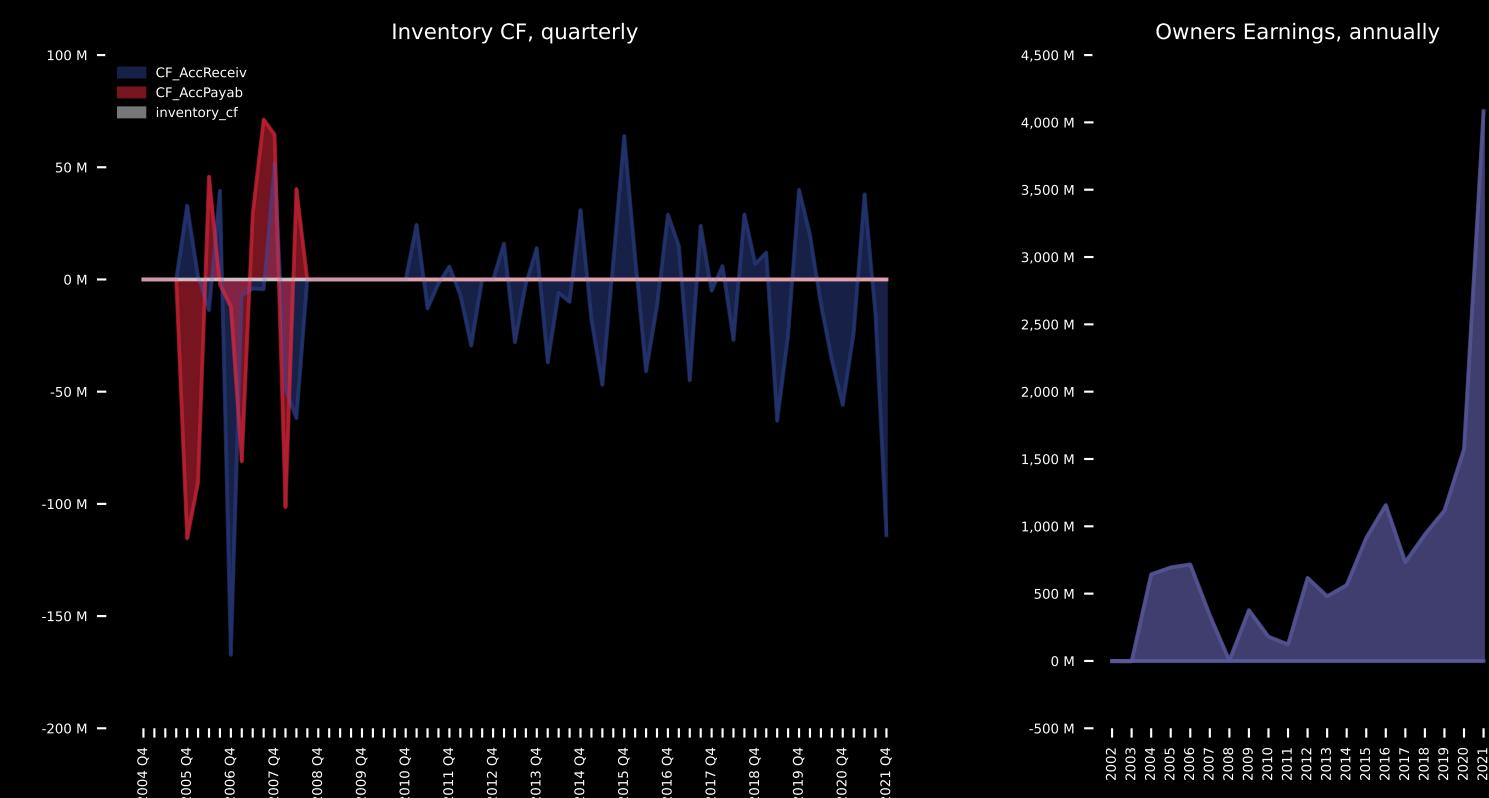

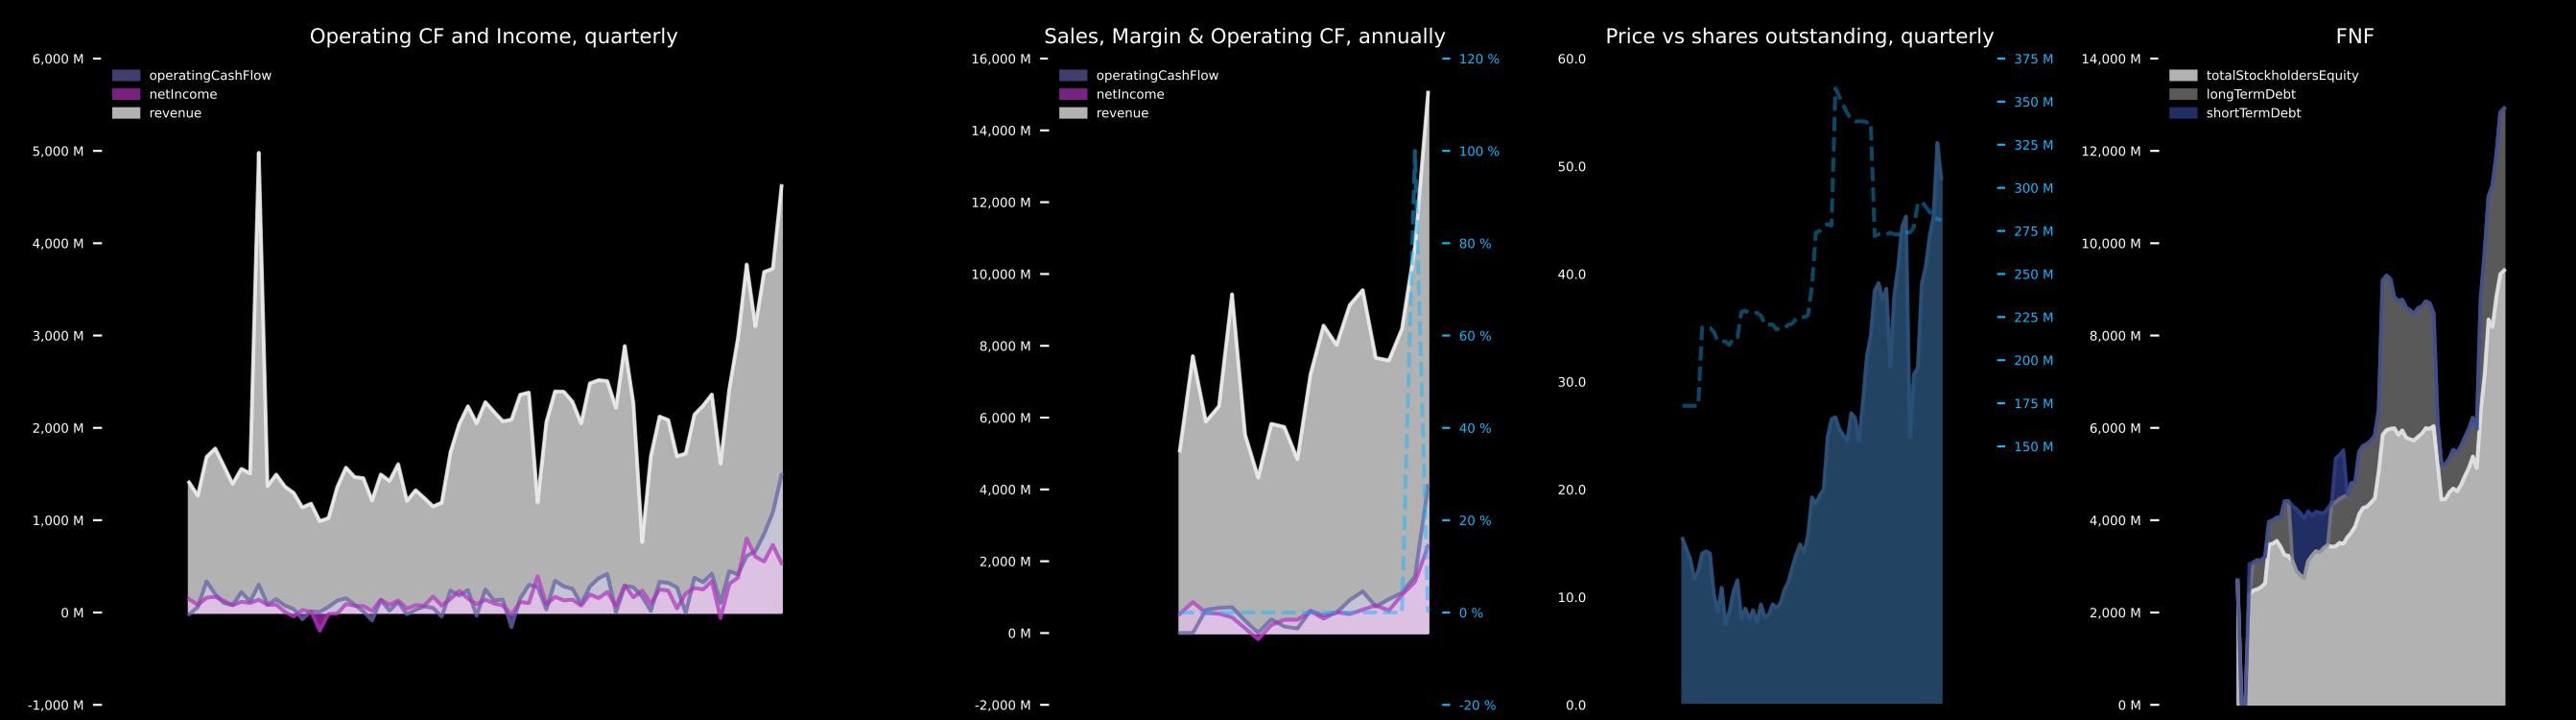

Corning Natural Gas Holding Corporation, through its subsidiaries, distributes natural gas and electricity. The company offers natural gas to approximately 15,000 customers through approximately 434 miles of distribution main and 86 regulating stations; and electricity to approximately 4,900 customers through approximately 160 miles of electric distribution wire and poles, and 20 miles of gas distribution pipe. It also owns 4 gate stations and approximately 18 miles of pipe in Susquehanna and Bradford Counties, Pennsylvania. The company serves residential, commercial, industrial, and municipal customers in the Corning, Hammondsport, and Virgil areas, as well as in Pike county; and distributes to 2 other gas utilities that serve the Elmira and Bath areas of New York. The company was incorporated in 1904 and is headquartered in Corning, New York.

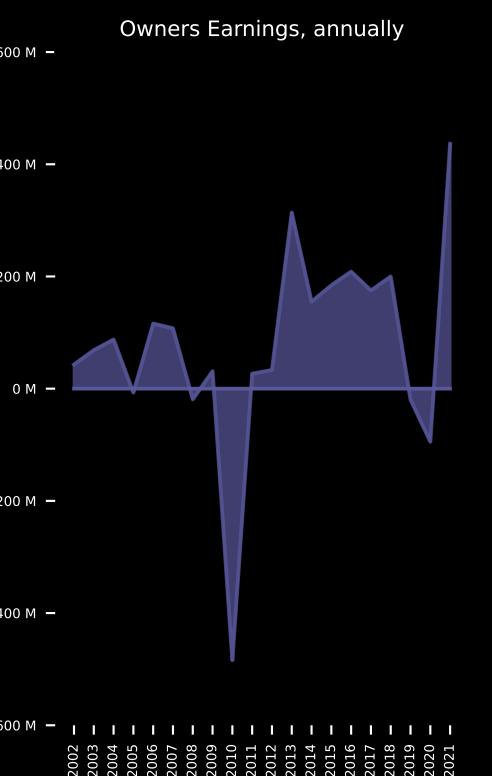

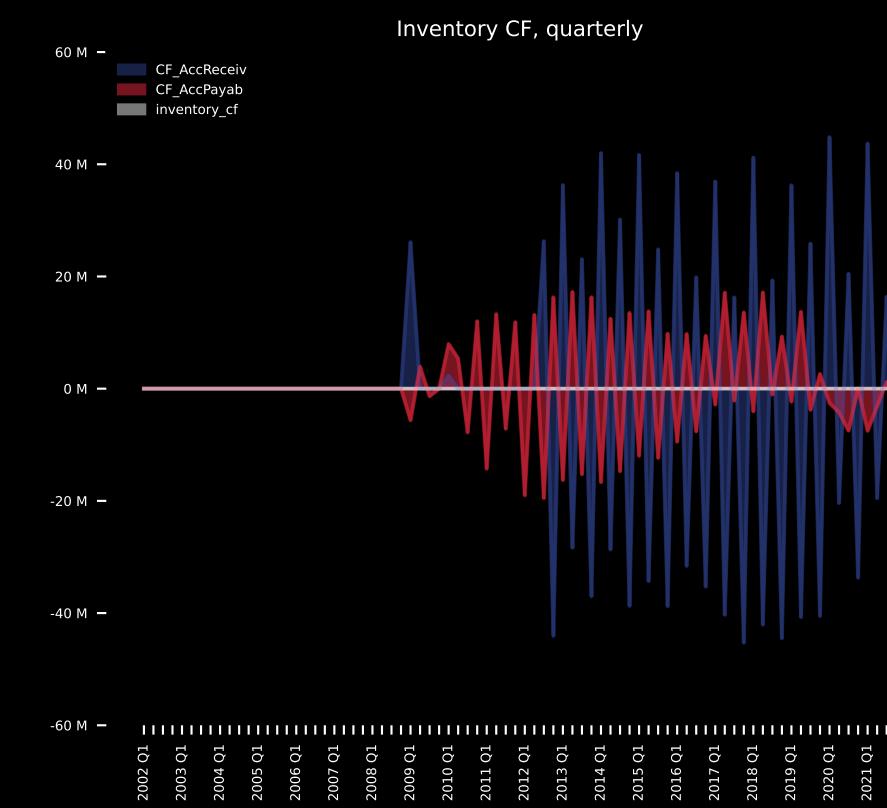

Gray Television, Inc., a television broadcasting company, owns and/or operates television stations and digital assets in the United States. KBS Real Estate Investment Trust II, Inc. was formed on July 12, 2007 as a Maryland corporation that elected to be taxed as a real estate investment trust beginning with the taxable year ended December 31, 2008. The Company conducts its business primarily through KBS Limited Partnership II, a Delaware limited partnership formed on August 23, 2007, and its subsidiaries. The Company is the sole general partner of and directly owns a 0.1% partnership interest in the Operating Partnership. The Company's wholly-owned subsidiary, KBS REIT Holdings II LLC, a Delaware limited liability company formed on August 23, 2007, owns the remaining 99.9% partnership interest in the Operating Partnership and is its sole limited partner. As of September 30, 2020, the Company owned four office properties and an office campus consisting of two office buildings. Subject to certain restrictions and limitations, the business of the Company is managed by KBS Capital Advisors LLC. On November 13, 2019, in connection with a review of potential strategic alternatives available to the Company, a special committee composed of all of the Company's independent directors and the board of directors unanimously approved the sale of all of the Company's assets and the dissolution of the Company pursuant to the terms of the plan of complete liquidation and dissolution. The principal purpose of the Plan of Liquidation is to provide liquidity to the Company's stockholders by selling the Company's assets, paying its debts and distributing the net proceeds from liquidation to the Company's stockholders.
